- II. Pledge of Allegiance**
- III. Roll Call**
- IV. Closed Session**

Motion to close the meeting pursuant to **Minnesota Statutes §13D.05, Subd. 3(a)** to evaluate the performance of the **City Treasurer**.

- V. Reconvene Open Meeting**
- VI. Discussion / Possible Action – City Treasurer**
- VII. Discussion – Public Works Equipment**

**A. Lawn Mower Purchase Options**

Discussion regarding potential purchase of a mower, including the opportunity to purchase discounted 2025 models.

**B. Sod Rake Purchase – Riggs for Less**

Review of updated pricing for the sod rake previously approved by Council. The originally quoted price of \$11,900 was provided incorrectly by the vendor. The current quoted price is \$16,500. Council discussion and direction requested.

**C. Approval of Additional Transducer for Wastewater Treatment Plant**

At the previous council meeting, the Council approved \$2,000 for replacement of a wastewater treatment plant transducer (\$1,600 for the part and \$400 for installation). Chris from People’s Service said that the request was for two transducers. The installation cost of \$400 will cover installation of both units, so the only increase is the cost of the additional part.

Since the Council previously approved \$2,000, an additional \$1,600 authorization is needed to complete the purchase and installation of the second transducer.

**Requested Council Action:**

Approve the revised total of **\$3,600** for the purchase and installation of **two wastewater plant transducers**, increasing the previously approved amount by **\$1,600**.

- VIII. Adjourn**

**A QUORUM OF THE PLANNING COMMISSION MAY BE PRESENT**
