

Harris Days

Outhouse Race Rules

- 1) Outhouse must have a seat with hole (one or two)
- 2) Outhouse must be equipped with wiping paraphernalia (Corn cobs, Sears catalog, toilet paper, etc.)
- 3) Doors are optional
- 4) Outhouses must be attached securely to the wheelbase
- 5) Pushing bar or device should be constructed with safety in mind
- 6) NO motorized outhouses
- 7) Outhouses are required to have 4 wheels

TEAMS: Teams will consist of a maximum of 5 members, with 4 pushing at all times and one rider inside at all times. The team member riding inside must weigh at least 100 pounds. Weight may be added to make 100 pounds.

Original team members must compete in the entire race, preliminary heats, finals and grand finale. However, team members may switch positions with the rider (only between races.) NO SUBSTITUTIONS WILL BE ALLOWED.

FAILURE TO COMPLY WITH THE ABOVE RULES WILL RESULT IN DISQUALIFICATION. THE DECISION OF THE JUDGES WILL BE FINAL.

Races will be run on an obstacle course
