

In November of 2021, a small crew of residents went house to house to conduct a survey about Harris' income levels to allow the City of Harris to apply for the first round of the grant process for a city well. We, the City of Harris, were recently asked to submit a formal application to DEED for grant funds for a well. We wanted to thank all the residents for answering the survey and we are excited that we are now part of the formal application to DEED. You are invited to come to the Public Hearing, the information is listed below. Thank you!
